EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Julie Reed on July 25, 2005.

The application has been amended as follows:

In the claims:

14. (Currently amended) An article containing ~~machine-readable code~~ on a machine-readable medium that, when executed, causes the machine to:

receive a call setup message directly from a gatekeeper for a call from a sending device;

determine if a call processor is associated with the call;

locate a call processor that has the least amount of processing load, if no call processor is associated with the call;

route the setup message to the call processor with the least amount of load;

and

establish a connection between the call processor and the sending device.
